

TLIC0031 Apply low risk car driving behaviours

This course is conducted over 1 day.

Delivered by **Advanced Driver Training Centre** a division of **Expert Training Group**, this unit involves the skills and knowledge required to apply low risk car driving behaviours.

This unit applies to any driver required to apply low risk driving behaviours. This includes higher-order skills involving broad cognitive, technical, communication and vehicle management. It also requires knowledge about hazard perception, risk control and low risk driving behaviour, judgement, decision making and multi-tasking, that builds on driver licence requirements across a range of vehicles and driving situations. Low risk car driving behaviours are applied without supervision.

Nationally accredited unit:

TLIC0031 Apply low risk car driving behaviours

Please contact **ADTC on 1300 866 156 or email at admin@advanceddrivertraining.com.au** for a quotation to provide training for your employees in your company.
