AHCMOM217 Operate quad bikes

NATIONALLY RECOGNISED TRAINING

Delivered by **Expert Training Group in partnership with Advanced Driver Training Centre**, this unit describes a participant's skills and knowledge required to safely operate quad bikes including undertaking pre-start checks and shut down procedures.

The unit applies to individuals who operate quad bikes to undertake routine work under general supervision with limited autonomy and accountability.

Vehicle must be operated according to relevant state/territory licensing authority vehicle licence requirements and regulations.

No occupational licensing, legislative or certification requirements apply to this unit at the time of publication.

Nationally accredited unit:
AHCMOM217 Operate quad bikes
